

Gem Patrons,

Welcome to Gem Dining's Post Covid Situation – PCS for short. Since our initial closing, we've been hard at work – taking this closure as a time of self-reflection & self-improvement. Through this adversity, we knew we had to improvise, adapt, and overcome these circumstances in order for us to reopen our doors. Upon reopening, we knew that we couldn't offer the same dishes that we served in the past – the times have forced us to become more innovative and much bolder than before.

We want to take this opportunity to thank you all for your continued support. We know that despite these uncertain times, you have been there with us through it all and it means the world to our team. Please take this time to celebrate with us the official reopening of Gem Dining.

We're thrilled to be back serving you all once again.

Sincerely,

Gem Dining Team
